UNICORE Summit 2018 - Call for Contribution

September 21, 2018, 10:00 – 12:00 as video conference
http://www.unicore.eu/unicore-summit/unicore-summit-2018/

SCOPE
The UNICORE Summit is a unique opportunity for UNICORE users, developers,
administrators, researchers, service providers and managers to meet.
Participate to share your experience, present your own developments,
present planned developments, learn about the latest UNICORE features
and get new ideas for interesting and prosperous collaborations.
There will be ample time for discussions.

The UNICORE Summit 2018 will be held on Friday September 21, as an online
meeting.

AREAS OF INTEREST
Areas of interest include all UNICORE-related work:
* applications and workflows
* high-performance computing and big data processing
* security, identity management, federations
* portals, science gateways, interoperability
* cloud and virtualization techniques
* operations and deployment of UNICORE
* recent and planned development work
* new ideas and concepts
etc.

PARTICIPATION
Authors are invited to submit short abstracts (one page maximum)
describing their contribution, which can be a presentation or a
demonstration. Abstracts should be submitted via e-mail in PDF
format to: unicore-summit@unicore.eu

REPORT
A report about the UNICORE Summit 2018 will be prepared and published
online as well as in the UNICORE Forum newsletter.

IMPORTANT DATES
Contributions due: August 30, 2018
Acceptance notification: September 10, 2018
Registration due: September 17, 2018
UNICORE Summit: September 21, 2018
